

Michigan Quarter Horse Association

invites you to place a name in our
2014 Hall of Fame

The Michigan Quarter Horse Association is once again seeking nominations for the MQHA Hall of Fame. This program honors individuals and horses who have made significant contributions to the MQHA and have had an impact on the Quarter Horse Breed. The Hall of Fame Award serves as a lasting tribute to outstanding individuals in the Quarter Horse Industry. Nominees may be living or dead, and must have been a permanent resident of Michigan for at least 5 years or owned by a Michigan resident for at least 5 years. Horses nominated must not be showing, standing stud or taking remuneration of any kind. Hall of Fame recipients will be inducted at the annual Michigan Quarter Horse Awards Banquet and Convention held in January of each year.
